

## PODCAST #14 – SHOW NOTES

### WHEN DO I QUIT MY JOB?

#### Hey Creatives!

You're listening to podcast #14 of the Coffee With Camilla podcast where we discuss the music industry! I'm your host Camilla Kleindienst with Banner Music in Nashville, TN.

Over the years I have been asked in various forms, "When Do I Quit My Job and Pursue Music Full Time?"

This is a very big decision and this decision affects other people besides just you the Creative.

- There are NO two paths to success in this industry.
- Everyone must decide for themselves what their path will look like - Look at the pro's & con's and be realistic
- Don't base decisions on "Best Case Scenario"
- Making a plan for the music business is not easy but it's a must
- Making a life plan is essential
- Make sure to build a network before you make the jump
- Getting the lay of the "land" - Music Scene is part of planning.
- Everybody has to eat!
- Authentic and Practical planning is essential - Knowing what the financial forecast will be can't be a guessing game.
- If your spouse or significant other have doubts, listen

Thank you for listening to podcast #14 - When Do I Quit My Job?

I hope I provided you Creatives with some things to think about when you are considering quitting your job to pursue music full time. It's a big decision! I believe you will figure out what is best for you.
