

# COFFEE WITH Camilla

Hey Creatives!

You're listening to **Podcast #43 of the Coffee With Camilla** podcast where we will discuss the music industry.

I'm your host Camilla Kleindienst of Banner Music in Nashville TN

The title of this podcast is ***"What We've Covered"***

This podcast is a shorty! I want to take a couple of minutes to remind my listeners of a what we've covered on this podcast. I don't know when you started listening to my podcast. I hope whenever it was, you decided to go all the way back to podcast #1 to listen to all the subjects!

When you listen, you will hear how I'm getting better at podcasting too!

So just as a reminder, I started this podcast because throughout my career songwriters and artists and musicians have asked me out to coffee to discuss their music career. They usually want my professional opinion on something. So I started this podcast to cover a lot of topics that I have discussed with artists, songwriters and musicians at those coffee meetings.
